The Fixers

Our Clients

We serve a diverse range of clients across multiple sectors:

- Financial Institutions
 - Government & Public Sector
 - NGOs & Development Organizations
 - Construction & Infrastructure Companies
 - Manufacturing & Commercial Enterprises
 - High-Net-Worth Individuals
- Our approach is tailored to each client's unique needs, ensuring practical and results-driven legal solutions.

Our broad Experience

Our work reflects a strong track record in high-stakes litigation, complex commercial disputes, and strategic advisory across multiple sectors.

UGX 4 Billion Bank Guarantee Dispute

Successfully represented a client in a high-value arbitration preventing the unlawful cashing of a UGX 4 billion performance guarantee. Secured interim relief and defended the client's position through complex arbitration proceedings, safeguarding significant financial exposure.

Landmark Commercial Litigation – Ministry of Health & Regulatory Enforcement

Led a high-profile commercial dispute involving enforcement actions by the Ministry of Health against multiple businesses. The matter addressed regulatory compliance, business closure actions, and constitutional considerations. ELDA successfully challenged the enforcement measures, securing favorable court outcomes and reinstating clients' operational rights.

Reflexology Clinics Case (Class Action Litigation)

Represented a group of affected businesses in a complex class-action style claim arising from regulatory shutdowns. The case involved claims for economic loss, reputational damage, and unlawful enforcement actions. ELDA advanced strategic arguments on liability and damages, with the matter proceeding to assessment of substantial compensation.

International Arbitration – USD 50 Million Construction Dispute

Acted in arbitration proceedings involving a multi-million dollar infrastructure dispute under international arbitration frameworks. Successfully defended against claims exceeding USD 50 million, demonstrating expertise in construction law, contractual interpretation, and cross-border dispute resolution.

Commercial Lease & Construction Dispute (Nakawa Industrial Area)

Advised and represented a client in a complex dispute involving a warehouse development, tenancy arrangements, and contractual breakdown. Secured interim injunctions and negotiated a structured settlement, preserving the client's commercial interests and avoiding prolonged litigation.

Debt Recovery & Banking Litigation

Successfully handled multiple high-value debt recovery matters for financial institutions and corporate clients. Leveraged both litigation and negotiated settlements to recover substantial sums while minimizing reputational and operational risk for clients.

High Court & Appellate Litigation (Civil & Commercial Matters)

Regularly represents clients before the High Court (Commercial, Civil, and Land Divisions) and appellate courts. Achieved successful outcomes across a range of disputes including contractual claims, land matters, and corporate conflicts.

Strategic Advisory & Corporate Disputes

Advised corporate clients, NGOs, and institutions on complex disputes involving governance, regulatory compliance, and stakeholder conflicts. Delivered practical, business-oriented solutions aligned with client objectives.

Fixers in the Energy Sector

Uganda's energy landscape is evolving rapidly with numerous changes to the law, policy and general energy practice. The opportunities for investment in this fast changing energy landscape are enormous. The sector has attracted billions of dollars in investment arising from the good returns that investors enjoy accompanied by an enabling investment and regulatory environment.

ELDA ADVOCATE'S energy, infrastructure and Public- Partnership practice lawyers and team consultants are actively engaged in supporting clients with the development of energy projects in the country and the region.

Our energy law practice team has the distinction of having deep knowledge, understanding, and experience of the Energy industry, both within Uganda and the entire East African region. The practice team is able to support its clients through the entire energy project implementation value chain from planning to obtaining regulatory approvals, negotiating the requisite offtake and other related agreements all through to commissioning of the projects.

Led by a partner who has dedicated his career to working in the energy industry, the team is well placed to offer commercial astute legal support for sophisticated transactional, regulatory, and litigation matters.

In the energy sector, the firm has acted as lender's legal counsel, counsel to landowners, project developers, suppliers, and contractors in hydroelectric projects, and solar energy facilities. The firm has advised on Licensing, Power Purchase Agreements, Project Finance, Energy Regulation, Restructuring, Legal Audit, Mergers & Acquisitions, Joint Ventures, and Commercial Operations among others.

The energy practice is supported by a vibrant practice in the areas of tax, employment, intellectual property, land conveyancing and corporate advisory. This enables ELDA ADVOCATES to offer the client a wide range of services in house.
